- ▲ High definition binocular cameras accurately identify personnel information;
- ▲ Visual intercom function, more intelligent entrance and exit management;
- ▲ Advanced access control function, fully safeguarding work safety;
- ▲ Non contact recognition, combining safety and convenience.

Specification:

Model	AC-ACR-K502-FP-SP1
User capacity	10000
Facial capacity	11000
Palm capacity	5000
Record capacity	100000
Display screen	5-inch high-definition touch screen
Communication mode	TCP/IP、WiFi
Basic functions	Advanced access control, Wiegand In/Out, SIP video intercom
Optional functions	IC
Operating Temperature	-20°C~55°C
BS Module	Wide Area Network
Operating Humidity	20%RH~80%RH
Power	DC12V/3A
Dimension	227.3*92.3*24.5mm
